### **EXPERIENCE AS COUNSEL**

Has acted as legal representative in numerous disputes for employers, contractors, sub-contractors, construction professionals, buyers and sellers, including the following:-

### **POWER & UTILITIES**

- Advice to a German company on an EPC contract for the provision of a waste to energy facility in Kent, England; handling extensive disputes with major package contractors regarding quality and performance issues
- Advice relating to performance issues arising from a contract for the provision of a coal washing facility in South Wales
- Handling the contract negotiation and subsequent ICC arbitration proceedings relating to the provision of a tunnel boring machine for a mineral mine in Sardinia
- Advice regarding the contractual arrangements with a major supplier to a power generation company
- Advice on contractual issues arising from remediation works following construction of the Thames Barrier
- Dealing with contractual disputes arising out of the provision of an effluent treatment plant in Northern England
- Acting for the contractor in connection with disputes and later arbitration proceedings arising from the construction of power plants in the Middle East

### **MARINE**

- Representing a major sub-contractor in an ICC arbitration with the EPC contractor concerning the construction of an LNG terminal in South America
- Advising on several disputes relating to the provision of oil field services to North Sea platforms including equipment failure and contractual issues
- Acting for a sub-contractor in disputes with the EPC contractor relating to the construction of an LNG terminal in Wales

- Advice regarding contractual disputes arising from a fire and consequent production issues on a North Sea platform
- Advising a major international drilling corporation on issues arising from the construction of a semi-submersible drilling rig in the Middle East
- Handling several contractual claims, including arbitration and High Court proceedings, arising from the provision of heavy plant and machinery in the marine, propulsion technology and defence aerospace fields
- Initial advice to a US marine contracting corporation on potential arbitration proceedings in connection with a contract for the provision of floating accommodation to a project in Central Europe

### **TRANSPORT AND ROADS**

- Representing the Employer in an ICC Arbitration relating to claims by the Contractor on a road project in Poland
- Advice relating to the provision of engineering services for the Jubilee and Northern Lines upgrade project
- Carrying out a detailed review of the legal basis for removal of vehicles and loads from the strategic road network
- Review of the contractual provisions for the proposed A303 Stonehenge Tunnel project
- Representing the contractor in arbitration proceedings arising from the construction of a motorway in the South of England
- Dealing with disputes arising from the construction of a substantial transport interchange in the North of England

### **PROCESS PLANTS**

- Advising on a DBO contract for the provision of a paint production facility in Saudi Arabia
- Conducting an ICC arbitration against a UK Design and Build contractor arising from the provision of a fertiliser plant in Latin America
- Representing the contractor in ICC arbitration proceedings arising from the construction of a cement factory in Nigeria
- Acting on behalf of turnkey contractors in substantial disputes relating to a block producing facility in the UK
- Representing the owner of a mineral and process handling plant in disputes with the turnkey contractor, including an arbitration on preliminary issues, involving issues of delay and defective design/workmanship
- Acting for an EPC contractor in disputes with the employer regarding the construction of a polyethylene plant

### **RETAIL**

- Handling litigation and adjudications on behalf of an employer arising from performance and quality issues on a contract for the refurbishment of a shopping centre near Birmingham, England
- Advice to a main contractor relating to cost overruns on the construction of a shopping centre in North London
- Contractual advice for a major package contractor regarding the construction of shopping centres in Glasgow, Scotland and Birmingham
- Dealing with litigation regarding a contract for the provision of fire protection at a shopping centre in Glasgow, Scotland

**HOSPITALS/MEDICAL**

- Dealing on behalf of a US corporation with the negotiation of contracts with the UK supplier for the design, manufacture and supply of equipment for hyperbaric chambers
- Acting for architects in disputes concerning the design of a hospital in Northern England
- Acting for a sub-contractor in a dispute with the main contractor under a PFI contract for the refurbishment of a central London hospital
- Representing the main contractor in disputes with an NHS trust regarding a PFI contract for the extension of a hospital in South East England

**DEFENCE PROJECTS**

- Representation over a period in excess of 5 years on behalf of a US corporation in three large ad hoc arbitrations with the UK Government relating to the design, procurement, supply and installation of simulation equipment to be used for military training purposes.

**COMMERCIAL/HOTELS**

- Representing sub-contractor in claims in arbitration against main contractor arising from the construction of a prison in the UK
- Representing main contractors in claims against a worldwide hotel operator arising from the refurbishment of a hotel in London
- Acting for a hotel operator in a dispute with the main contractor regarding the construction of a hotel in central London
- Handling a number of disputes for a sub-contractor relating to commercial buildings in the UK, mainly regarding quality and performance issues, including both adjudication and arbitration proceedings
- Representing an Irish contractor in a dispute with a main contractor regarding the construction of an office block on the Isle of Man
- Representing the owner of a large storage facility in multi party arbitration proceedings against the contractor and professional team relating to defects in the facility
- Representing a local authority in disputes with the contractor and the architect on a project for the refurbishment of a leisure centre
- Acting for contractors in a number of matters relating to commercial and residential developments, including disputes with developers and sub-contractors
- Representing developers in a dispute with sellers of land regarding overage payments
- Acting for property developers in disputes with sellers of land relating to work undertaken by statutory undertakers
- Representing developers in connection with arbitration proceedings against sellers regarding the terms of the Development Agreement

**GENERAL**

- Acting for buyers and sellers of commodities (e.g. sugar, grain, metals) in several arbitrations arising from defects in quality and/or late delivery
- Representing property and adjoining owners in matters relating to the Party Wall Act and regarding rights of light issues

**LECTURES AND PAPERS DELIVERED**

- Has delivered many conference papers on construction and arbitration topics, particularly regarding Dispute Boards, dispute avoidance and resolution

- Has lectured extensively on the FIDIC forms of contract
- Currently Course Director for Dispute Board training with the Chartered Institute of Arbitrators

**PUBLICATIONS**

- Mediation and Dispute Boards – Institution of Civil Engineers Journal, 2009
- Introduction to new CI Arb Guidelines – Arbitration, May 2010
